May 2020

Hi everyone,

A few lines hoping you are all safe and well and keeping busy, the gardens are coming into flower, plants are starting to grow and finger nails are broken and filthy ! all good signs that we are coping with the lock down. As a little relief my granddaughter has challenged me to a weekly baking competition, so far baked egg custard was a complete disaster, Swiss roll was a joy to behold , this coming weeks challenge is a Bakewell tart -watch out next years show !!

Sorry we are unable to reopen the shop , but fortunately local stores are selling compost and plants and hopefully garden centres will soon be open once again.

Our very best wishes to you all , hopefully it won't be to long before we meet, keep well and safe.

Liz and committee members

This is the time when you are thinking of making up Hanging Baskets.

Due to the present situation and the cancellation of tonight's meeting on Hanging Baskets, I have compiled a selection of videos which may be of some help. See link below

The talk on Hanging Baskets has been rearranged for the April 2021 meeting, when I look forward to providing you with more information and also a practical demonstration.

Keep Safe
